

Rivervale Shores

HDB's Sales Launch – August 2017

Riverside Living

Rivervale
Shores

Rivervale Shores is bounded by Sengkang East Drive and Tampines Expressway. It comprises 16 residential blocks that range from 8 to 18 storeys in height. You can choose your home from 2,500 units of 2-room Flexi, 3-, 4-, and 5-room flats.

The name 'Rivervale Shores' references the development's location along the edge of Serangoon Reservoir, and Sengkang as a former fishing village.

Please refer to the site plan to find out more about the facilities in Rivervale Shores. The facilities in this project will be opened to the public.

HDB precincts are planned to serve the evolving needs of the community. There are spaces catered for future inclusion of amenities/facilities (such as childcare centres, elderly-related facilities, education centres, residents' committee centres and day activity centres), commercial facilities (such as shops and eating houses), mechanical and electrical rooms and such other facilities depending on the prevailing needs. These spaces could be in the void decks, common property, car parks or stand-alone community buildings.
